Dear Heidi Cambell,

The National Women's Political Caucus of Tennessee (NWPCTN) is proud to endorse you in the upcoming August Primary for Tennessee Senate District 20. We will post these announcements on our social media platforms by Sunday, July 19.

The NWPCTN is a state-wide caucus that is sanctioned by the National Women's Political Caucus (NWPC). NWPC is a national, pro-choice, multi-partisan, grassroots membership organization, dedicated to identifying, recruiting, training and supporting women candidates for elected and appointed office.

NWPCTN will notify our members and supporters of our endorsements. We will encourage them to support our endorsed candidates with donations and by volunteering their time and other resources.

This week Governor Bill Lee signed one of the most restrictive abortion laws in the country which was subsequently halted with a restraining order. It is imperative that we elect more pro-choice women to the Tennessee legislature to protect women's rights and to dismantle this continued assault on women's rights through legislation rather than utilizing precious resources fighting these efforts in the courts.

We appreciate your commitment as a candidate to support a pro-choice and pro-woman platform if elected to the state legislature.

Sincerely,

Sable Otey, Co-Chair, NWPCTN Endorsement Committee  
Jennifer Watson, Co-Chair, NWPCTN Endorsement Committee
